

Eugene F. Rinta

1930

Eugene was Junior Class President and participated in many school activities. He was a star basketball player for Fairport and at Ohio University where he was inducted into the Ohio University Bobcats Hall of Fame in 1967. During World War II he worked as an FBI agent in Sweden and Finland. He was later the President and Research Director of the Council of State Chambers of Commerce in Washington DC from the 1950's until retiring in 1978. One of his duties was to create the federal budget. He was also an investigator for the House Appropriations Committee.
